Wire Frame designs

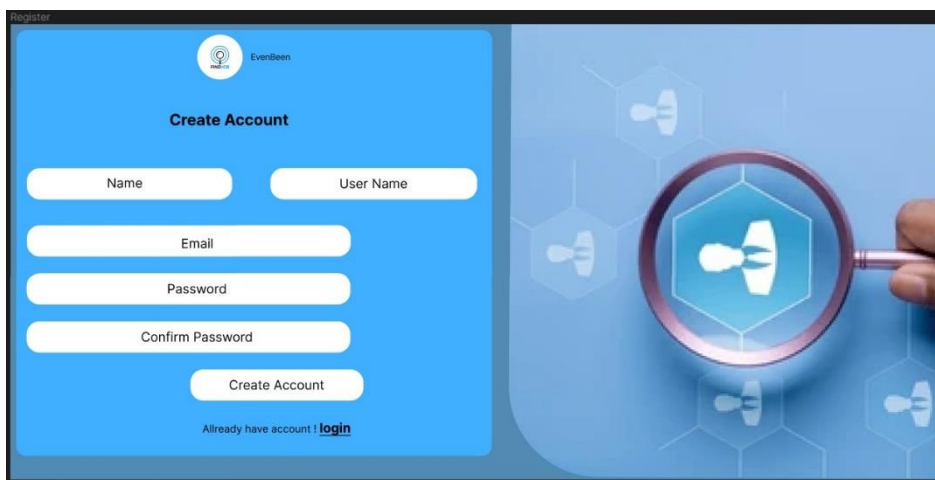

Login page

- Here user can login using username or email and password
- Form is validated ensuring application security
- User login is done using a post request and validated user navigated to home page

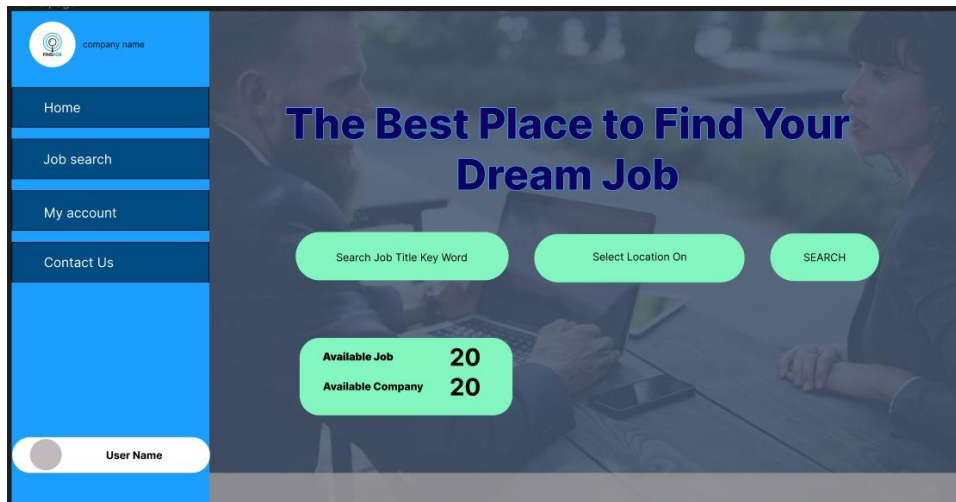

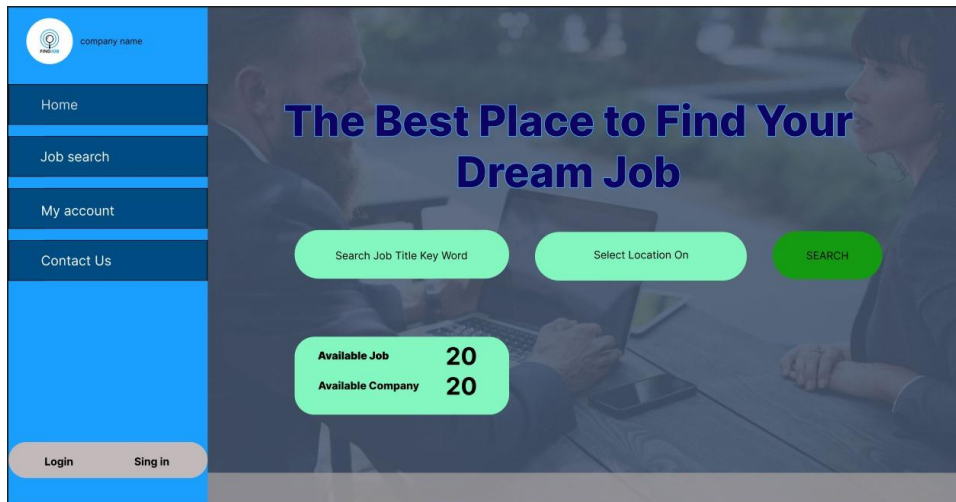

User Registration page

- Here a new user can register using provided details
- Form inputs are validated
- Then navigate to home page

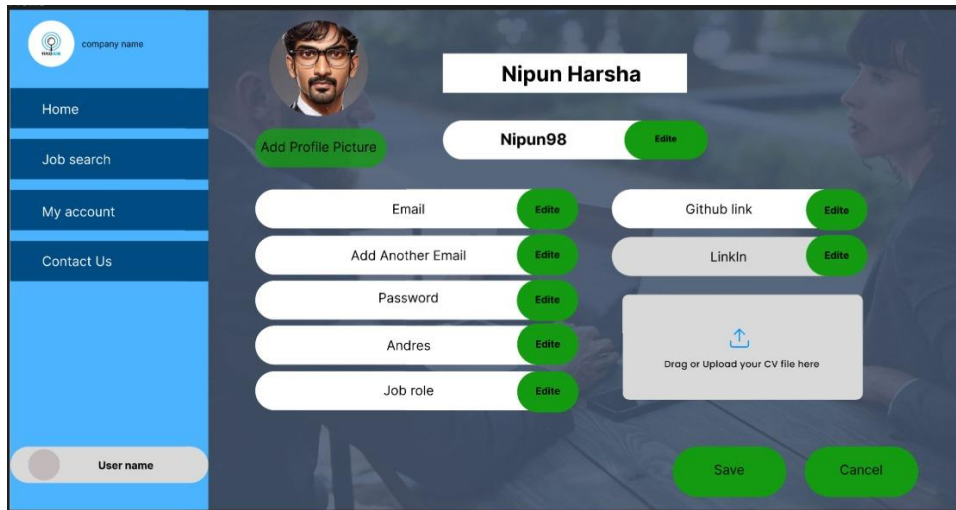

Home Page

- Here user can see the details of available jobs
- And navigation bar for Home,Job Search,My Account and contact us

User profile

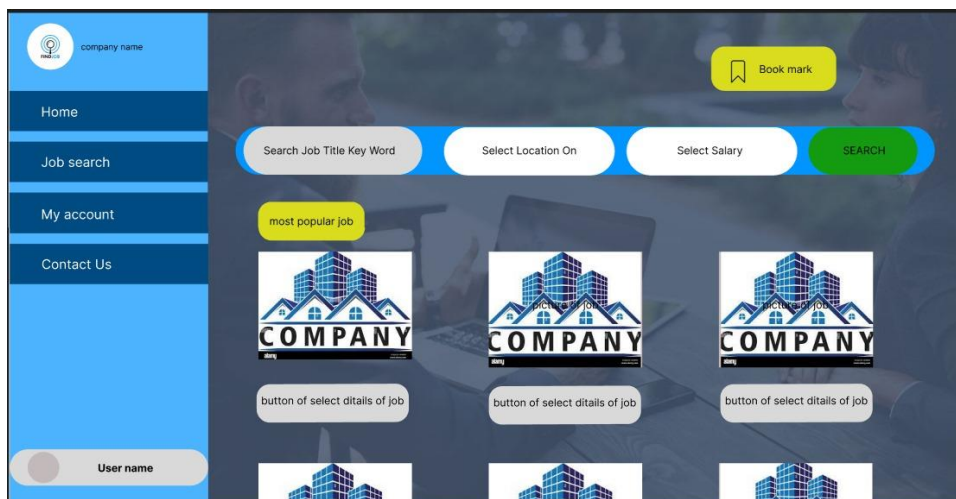

- Here user can update his profile and save the new state in the database

The image shows a user profile update form. On the left is a blue sidebar with a logo and navigation links: Home, Job search, My account, and Contact Us. The main content area has a dark background. At the top, there's a profile picture of a man with glasses, a name field containing 'Nipun Harsha', and a username field containing 'Nipun98'. Below these are several input fields for 'Email', 'Add Another Email', 'Password', 'Andres', and 'Job role', each with an 'Edit' button. To the right of these are fields for 'Github link' and 'LinkIn', also with 'Edit' buttons. There's a section for uploading a CV file with a drag-and-drop icon and the text 'Drag or Upload your CV file here'. At the bottom right are 'Save' and 'Cancel' buttons.

Job Search Page

- Here there is a filter user can search the job that they are looking for using filtration
- User can navigate to job apply page by clicking the selected job post

The image shows a job search page. On the left is a blue sidebar with a logo and navigation links: Home, Job search, My account, and Contact Us. The main content area has a dark background. At the top right is a 'Book mark' button. Below it are three filter buttons: 'Search Job Title Key Word', 'Select Location On', and 'Select Salary', followed by a green 'SEARCH' button. Below the filters is a 'most popular job' section. It contains three job cards, each with a building icon, the text 'COMPANY', and a 'button of select details of job'. At the bottom, there are three more building icons.

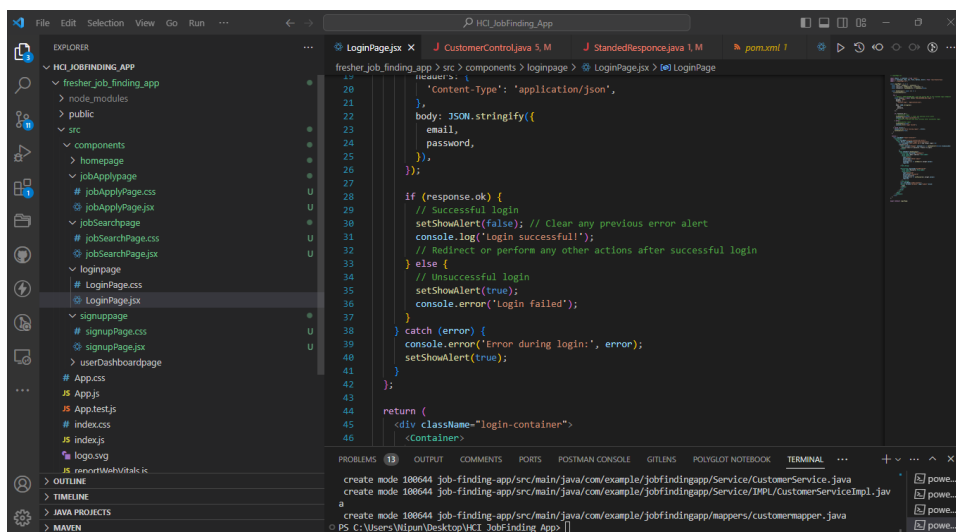

Job Detail Page

- Here the job detail page user can simply apply to job by apply button after uploading the CV
